DO YOU HAVE AN ALLERGY?

You must speak to your server or Duty Manager if you have any allergies or specific dietary requirements. We have a comprehensive allergen guide to help you make the right choice for you. **Please ask our team on how to access our allergen guide and ensure that you read it before you place your order.** Our burgers: we prefer our hamburgers cooked medium, so they are perfectly juicy, but of course it should be up to you. The Food Standards Agency has asked us to point out that burgers cooked rare and medium rare carry a higher risk of food poisoning. Unlike a steak, a burger needs to be cooked through to reduce that risk. The Food Standards Agency recommends that children, pregnant women and anyone with a weaker immune system have their burgers well done. Please email us at hello@byron.co.uk for more information.

Scan here for allergen and calorie information on each dish.

Calories: all information given is per serving. Adults need around 2,000kcal a day.
